## About the university

Herzegovina, and especially the city of Mostar have always been recognized as one of the most important participants in scientific activities in Bosnia and Herzegovina.

Dzemal Bijedic University of Mostar is an integrated, accredited higher-education institution consisting of the eight members:

1. Agromediterranean Faculty
2. Faculty of Economy
3. Faculty of Humanities
4. Faculty of Information Technologies
5. Faculty of Civil Engineering
6. Faculty of Mechanical Engineering
7. Faculty of Education
8. Faculty of Law

Mission of Dzemal Bijedic of Mostar is to organize a wide spectar of educational processes of various content and levels, to perform theoretical, applied and developmental research and become one of the leaders in education of young experts needed for development of economy and the society in the University catchment area, but also in a wider context of cultural and social development of the region and the state.

The University achieves its mission by continuous education of the university staff members, ongoing improvement of the educational process and the quality of management and leadership.

Dzemal Bijedic University of Mostar is aiming to be a flexible, functional and socially responsible higher-education institution, recognized in the region for its modern study programs of all cycles, and oriented toward cooperation, internationalization and high quality.
