About the university

The Autonomous University of Chiapas is a public and autonomous Higher Education Institution, socially responsible and with a vocation for service; that comprehensively trains competent, critical, ethical professionals with citizen and environmental awareness. UNACH generates, disseminates and applies scientific, technological and humanistic knowledge; it spreads culture and art, promotes sport and extends its services, linked to society in local, national and international environments; with qualified personnel and relevant and quality educational programs, to contribute to sustainable development, social well-being, a culture of peace, democracy, equity and human rights.
